SUBJECT: ICAO ASSEMBLY: SOLICITING SUPPORT FOR KEY U.S.  
POSITIONS

REF: A. SECSTATE 77572  
[1](#)B. SECSTATE 83246

[1](#)1. Econoff delivered reftel demarches to Mr. Yongyut with the RTG Ministry of Transportation International Affairs Division. Mr. Yongyut responded that the MoT would need time to consider the U.S. positions carefully before they could indicate their level of support. He requested advance copies of the various white papers and working papers that the U.S. would be presenting to the Montreal ICAO Assembly to allow for full consideration of their content.

[1](#)2. Mr. Yongyut also noted that it had not yet been determined who would represent the RTG in Montreal, although he said that representatives from the Department of Civil Aviation (DCA) would probably head the delegation, which would probably also include representation from the MoT.
